AIR COMPRESSOR SOLUTIONS

We provide a complete range of industrial air compressors from trusted international and in-house brands, suitable for textile, packaging, food, pharmaceutical, manufacturing, and general industrial applications.

OUR BRANDS

OUR OWN BRAND

Reliable. Efficient. Built for Performance.

A brand of Atlas Copco Group
Made in Belgium 
German Engineering. Global Reliability.

Innovation. Performance. Durability.

OUR COMPRESSOR RANGE

**OIL-INJECTED
SCREW
COMPRESSORS**

High efficiency and reliable performance for continuous operation.

**VSD (VARIABLE
SPEED DRIVE)
COMPRESSORS**

Intelligent control for energy saving and maximum efficiency.

**FIXED SPEED
COMPRESSORS**

Robust, simple and cost-effective solutions for your needs.

**To Stage
Compressor**

Lower operating costs with higher efficiency and sustainability.

**COMPLETE
SYSTEM
SOLUTIONS**

Compressors with dryers, filters tanks and accessories.

**INSTALLATION,
COMMISSIONING
& AFTER-SALES
SUPPORT**

End-to-end support from planning to maintenance.

**POWERING YOUR PRODUCTIVITY
WITH RELIABILITY AND TRUST**

✓ Proven Performance ✓ Low Maintenance ✓ Long Service Life ✓ Local Support ✓ Genuine Spare Parts

AIR TREATMENT SOLUTIONS

Clean, dry and reliable compressed air is essential for the performance and life of your equipment. Our range of air treatment products ensures optimum air quality, protects your systems and improves overall efficiency.

OUR AIR TREATMENT RANGE

**Refrigerated
Air Dryers**

**Adsorption
Dryers**

**Line
Filters**

**Air Receiver
Tanks**

**Complete Air
Treatment Systems**

Remove moisture effectively to protect your equipment and processes.

Ensure ultra-dry air for critical applications and process reliability.

High performance filters for removal of solid particles, oil and water aerosols.

Store compressed air safely and maintain system stability.

Integrated solutions tailored to your application needs.

Protects your equipment and processes

Improves efficiency and productivity

Ensures reliable and continuous operation

Energy efficient and cost effective

High quality and long service life

CLEAN AIR. BETTER PERFORMANCE.

FILTERS & SPARE PARTS

We provide a complete range of compressed air filters and spare parts to ensure reliable performance, clean air quality, longer equipment life, and reduced downtime. Our solutions include genuine and compatible parts for a wide range of compressed air systems.

OUR FILTERS & SPARE PARTS RANGE

Oil Separators

Efficient oil-air separation for smooth compressor performance.

Oil Filters

Protects the compressor by removing contaminants from lubricating oil.

Air Filters

Prevents dust and dirt from entering the compressor system.

Line Filters

Removes moisture, oil aerosols, and particles from compressed air.

Compressor Parts/

Valves, couplings, sensors, controllers, maintenance kits and essential spare components.

AVAILABLE FOR ALL MAJOR COMPRESSOR BRANDS

We supply compatible filters, separators, oil filters, air filters, line filter elements, and spare parts for a wide range of international and local compressor brands.

Compatible with major brands including Atlas Copco, Ingersoll Rand, Kaeser, Boge, CompAir, Gardner Denver and many more.

GENUINE & COMPATIBLE PARTS. RELIABLE PERFORMANCE.

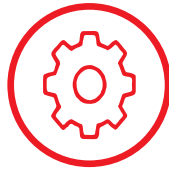

OUR SERVICES

We offer end-to-end solutions and professional services to keep your compressed air systems performing at their best. Our expert team ensures reliability, efficiency and long-term value for your investment.

INSTALLATION

Professional installation of compressed air systems and air treatment equipment for optimal performance.

COMMISSIONING

System testing and commissioning to ensure everything runs smoothly from day one.

MAINTENANCE

Regular maintenance programs to prevent breakdowns and maximize the life of your equipment.

SERVICE & REPAIR

Prompt and reliable service and repair to minimize downtime and keep your operations running.

SYSTEM AUDIT

Comprehensive assessment of your compressed air system to improve efficiency and reduce costs.

UPGRADES & RETROFITS

Enhance system performance with upgrades and retrofits using the latest technology.

TECHNICAL SUPPORT

Expert technical support to help you choose the right solutions for your applications.

SPARE PARTS SUPPLY

Genuine and compatible spare parts available for all major brands with quick delivery.

ONE PARTNER. COMPLETE SUPPORT.

We are committed to delivering reliable solutions and exceptional service at every step.

MATERIAL HANDLING

We provide practical and reliable material handling equipment for warehouses, workshops, stores and industrial facilities. Our range is designed to improve safety, efficiency and smooth movement of goods in daily operations.

OUR MATERIAL HANDLING RANGE

HAND PALLET TRUCKS

Durable and easy-to-use solutions for smooth pallet movement.

ELECTRIC STACKERS

Efficient lifting and stacking equipment for warehouse operations.

MANUAL STACKERS

Cost-effective equipment for safe and practical material lifting.

FORKLIFTS/ MATERIAL MOVERS

Versatile handling equipment for loading, unloading and transport.

ONE PARTNER. **COMPLETE SUPPORT.**

We are committed to delivering reliable solutions and exceptional service at every step.

POWERING PRODUCTIVITY. DELIVERING TRUST.

At Shaffaf, we are committed to delivering high-quality compressed air solutions that enhance efficiency, ensure reliability, and add value to your operations.

Thank you for choosing Shaffaf.
We look forward to serving you!

WHY CHOOSE SHAFFAF?

QUALITY ASSURED

Premium quality products built for long-lasting performance.

WIDE RANGE

A comprehensive range of compressed air solutions to meet diverse needs.

CUSTOMER FOCUSED

Dedicated to providing the best solutions and exceptional service.

RELIABLE SUPPORT

Strong after-sales support and genuine spare parts availability.

TRUSTED PARTNER

A name you can rely on for quality, reliability and performance.

OUR COMMITMENT

We are committed to continuous improvement and innovation, ensuring our products meet the highest standards of quality and safety. Our mission is to empower your business with reliable solutions that drive efficiency and success.

**BUILT FOR TODAY.
ENGINEERED FOR
TOMORROW.**
